13 v.
14 GLAXOSMITHKLINE LCC,
15 Defendant.
16

Case № 2:15-cv-05544-ODW (RAO)

**ORDER TO SHOW CAUSE RE:
POTENTIAL TRANSFER TO
MULTIDISTRICT LITIGATION
COURT, MDL NO. 2657**

17
18 On October 13, 2015, the Judicial Panel on Multidistrict Litigation created
19 MDL No. 2657, *In Re: Zofran (Ondansetron) Products Liability Litigation*. The
20 Panel's Transfer Order designated the District of Massachusetts as the transferee court
21 for twelve currently pending matters, and designated any other related federal actions
22 as "potential tag-along actions." Conditional Transfer Order, MDL No. 2657,
23 http://www.jpml.uscourts.gov/sites/jpml/files/MDL-2657-Initial_Transfer-10-15.pdf.

24 This Court now asks the parties if the case at bar involves such common
25 questions of fact with the motions transferred to MDL No. 2657 that transfer to the
26 MDL court in the District of Massachusetts is now appropriate. Alternatively, parties
27 are to explain why, in the face of any commonalities between this action and those
28 under the MDL, this matter should remain before this Court.

1 Parties are to respond, in writing, to the above questions, including by joint
2 stipulation, by November 12, 2015. A request by Defendant for the Judicial Panel to
3 transfer the case at bar under Judicial Panel on Multidistrict Litigation Rule 7.1(a) will
4 be considered a valid response to this Order.

5 All other dates and deadlines in this action **REMAIN** on calendar.

6
7 **IT IS SO ORDERED.**
